|------------------------------------|-------------------------------------|
| Approved for Drawback (DrB)        | <input type="checkbox"/>            |
| Approved as No Action (N/A)        | <input checked="" type="checkbox"/> |
| Fit for Beverage Purposes (Fit)    | <input type="checkbox"/>            |
| Submitted for TTB Approval         | <input type="checkbox"/>            |
| Not Yet Submitted for TTB Approval | <input type="checkbox"/>            |

## Classification

**Total Artificial Flavor Content:** 795 ppm (Excluding Synthetic Vanillin, Ethyl Vanillin, Synthetic Maltol, and Ethyl Maltol)

| TTB/FDA Limited Ingredients | TTB/FDA Limitation in Finished Product | Amount of Additive or Agent Present in Flavor | Maximum Use Rate  | Coloring Additives and Other Additives that Affect the Beverage Label<br>(check or list label ingredients that affect the beverage label) |
|-----------------------------|----------------------------------------|-----------------------------------------------|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| 1. Synthetic Vanillin       | 40.0 ppm                               | <u>21</u> ppm                                 | <u>NO LIMIT</u> % | 1. FD&C Yellow #5 <input type="checkbox"/>                                                                                                |
| 2. Ethyl Vanillin           | 16.0 ppm                               | <u>        </u> ppm                           | <u>-</u> %        | 2. FD&C Yellow #6 <input type="checkbox"/>                                                                                                |
| 3. Synthetic Maltol         | 250.0 ppm                              | <u>155</u> ppm                                | <u>NO LIMIT</u> % | 3. FD&C Blue #1 <input type="checkbox"/>                                                                                                  |
| 4. Ethyl Maltol             | 100.0 ppm                              | <u>        </u> ppm                           | <u>-</u> %        | 4. FD&C Blue #2 <input type="checkbox"/>                                                                                                  |
| 5. Ester Gum                | 100.0 ppm                              | <u>        </u> ppm                           | <u>-</u> %        | 5. FD&C Green #3 <input type="checkbox"/>                                                                                                 |
| 6. BVO                      | 15.0 ppm                               | <u>        </u> ppm                           | <u>-</u> %        | 6. FD&C Red #40 <input type="checkbox"/>                                                                                                  |
| 7. Sodium Benzoate          | 1,000.0 ppm                            | <u>        </u> ppm                           | <u>-</u> %        | 7. Grapeskin Extract <input type="checkbox"/>                                                                                             |
| 8. Gum Arabic/Acacia        | 200,000.0 ppm                          | <u>        </u> ppm                           | <u>-</u> %        | 8. Caramel Color <input type="checkbox"/>                                                                                                 |
| 9. Propylene Glycol         | 50,000.0 ppm                           | <u>38,021</u> ppm                             | <u>NO LIMIT</u> % | 9. Annatto <input type="checkbox"/>                                                                                                       |
| 10. BHA                     | (<0.5% Essential Oil)                  | <input type="checkbox"/> check if contained   |                   | 10. Elderberry Extract <input type="checkbox"/>                                                                                           |
| 11. Acetic Acid             | 1,500.0 ppm                            | <u>63</u> ppm                                 | <u>NO LIMIT</u> % | 11. Beet Extract <input type="checkbox"/>                                                                                                 |
| 12. <u>Caprylic Acid</u>    | <u>10.0</u> ppm                        | <u>        </u> ppm                           | <u>-</u> %        | 12. Oak Extract <input type="checkbox"/>                                                                                                  |
| 13. <u>Tannic Acid</u>      | <u>150.0</u> ppm                       | <u>        </u> ppm                           | <u>-</u> %        | 13. Carmine/ <input type="checkbox"/>                                                                                                     |
| 14. <u>Malic Acid</u>       | <u>7000.0</u> ppm                      | <u>        </u> ppm                           | <u>-</u> %        | Cochineal Extract                                                                                                                         |
| 15. Total Vanillin          | 40.0 ppm                               | <u>-</u> ppm                                  | <u>-</u> %        | 14. <u>                    </u> <input type="checkbox"/>                                                                                  |
| 16. Total Maltol            | 250.0 ppm                              | <u>-</u> ppm                                  | <u>-</u> %        | 15. <u>                    </u> <input type="checkbox"/>                                                                                  |
