Malting excellence since 1858

OUR MALTS RANGE

Irish Stout Malt

Ireland's naturally fertile soils, mild, temperate, oceanic climate, and long growing season provide ideal conditions for producing premium-quality 2-row malting barley with very large, plump, evenly sized, clean grains.

MCI's mild-flavoured Stout Malt can add smoothness and depth to a beer without overwhelming the palate. Our expert team developed this malt with ease of conversion in the mash in mind, making it highly versatile for various beer styles. With a high extract content and enzymatic strength, this malt is specially designed to be combined with raw adjuncts, serving as the foundation of many a pint of famous Irish stout!

Availability & Shipping

- Crushed or Whole malt
- Bulk Tipper, Blown Bulk, Bulk Bag (1000kg – 500kg), or 25kg Bags.

Soluble Nitrogen Ratio (SNR)	%	≥36
Diastatic Power	% WK dm	≥270
Wort Colour	°EBC	2.5 – 4.0
Lovibond		1.5 – 2.1
Wort pH		5.80 – 6.10
Friability	%	≥86.0
W.U.G.s /Glassy Whole Corns	%	≤2.0
Grading >2.5mm	%	≥95.0
<2.2mm	%	≤2.0

IRELAND'S MALT EXPERTS

MALTING COMPANY IRELAND

As a fully Irish owned company we pride ourselves in producing all our fully traceable quality malts in our own malting plant in Cork, Ireland. We only use barley that has been supplied by Dairygold and Tirlán Co-Ops, and their registered growers.

9 White Deer Brewery Testimonial

"At 9 White Deer, we've built our reputation on quality and consistency, and for the past 11 years, MCI malt has been at the heart of it. Their stout malt is truly unique, and when crafting an authentic Irish Stout, using local Irish malt is absolutely essential. MCI delivers unmatched quality, and you can taste the difference in every pint. Just try our award-winning Stag Stout and see for yourself!"

Gordon Lucey, Managing Director
9 White Deer Brewery
